

**COLORADO**  
Gov. John Hickenlooper

September 21, 2017

Greetings:

On behalf of the State and People of Colorado, it is my distinct pleasure to welcome you to the International Day of Peace celebration hosted by the United Nations Association Denver Chapter and Our Secure Future - Women Make the Difference.

This forum serves as a crucial reminder of the importance of the human values of peace, respect, and equality. I hope that you walk away from this event with a renewed sense of hope and understanding about how we can improve the future of our communities, our state, and our world.

We recognize the groups that made this evening possible: UNA Denver and One Earth Future. They are dedicated to vital work that educates, inspires, and motivates Coloradans while improving our global community. Tonight's event is just a glimpse of what these organizations do.

To tonight's hosts and attendees, we thank you for your commitment to improving the lives of all people, and once again, welcome.

Sincerely,

John W. Hickenlooper  
Governor
